Life is sweet at the moment, property prices are up, you're wearing nice clothes, you're doing OK on the stock market, your boss still loves you, in short time things change - like prices go up, good places go bad and bad places go bankrupt - nothing stays the same. If you find things better or worse, recently opened or long since closed maybe flooded like Titanic deep, please inform us and help us make this info even more accurate and useful. WE welcome all your info, love all, serve all.

WHY I GO HDY (excuselah)

piownok: Hi, questions often pop up like why I would travel all the way to Thailand when screw are readily available at HCs, GL, Petain or even nearby Johor or Indo islands. As I have told some of you when we had our drinks, screwing is just the icing on the cake. The real beef is in the treatment we get from these lovely ladies when we visit them. Yes, they take money from us as their job requires them to but to treat us like their 'husbands' or 'boyfriends' should be unheard of in other places that I have mentioned.

Anyway, I hope you guys from where ever you are can contribute and share your experiences here so that others may learn from mistakes or learn to gain to your advantage.

THAIPRINCE: My favourite joint....W. Eyes also pop out. However W gals are like those durian D2, D9 stuff. You get the minimum requirements and klongable.

If you like kampung durian...sometimes got worms, sometimes taste like 'tapioca' sometimes 'half-ripe' sometimes damn good...then you should go to C, SKY or to TS. However all these all KFC.

also, nowadays, going for 'invasion' is more like a R&R trip (good food, drinks, massage, getting a bit high and the occasional bonk) for me...not so much of POWs sessions...anyway, will most welcome any newbies to tag along...least we can have some khakis of similar interests. i'm also spreading words out to thai sanuk bros from 'bangkok escape' to join us this march trip....hope to have a sizeable group of cheongsters...more fun.

I did went to Pink Lady for a 'body message' while I enjoy my Heineken with TE, parading ourselves to the girls in Pink Lady. You can't do that with a Beer in GL huh?! Anyway eventually I picked the right girl from SCH the next day. cost me a bomb though !! 5000B (about \$200+) The highest I ever paid for a girl, as my buddies will know I never even call a \$150 GL girl before. But i enjoyed her company very much, she's more like a social escort than a pros (what's the difference?)

cunnosieur:

1. of cos lah, bkk and h city are their home grds...and nothing can beat the authenticity of thai cuisine on their native grd....and in

h city, overnite bookings are abt 1/2 price, abt \$60-70 only...while bkk more expensive, abt \$120-\$150...all gals quality no horse run one.

2. diff in feeling is that those in GL are like public toilets.k2n, one bro finished liao, seat still warm, another one go and use already (30 mins).cheetuk, one ang pai can have 20-30+ customers per day. what do you think? in h city and bkk, more like a private toilet, if urgent or stomach again, can still take your time and use slowly. anyway, the gals are more like 'renting a gal friend' k2n, go out makan, use tissue clean your chopsticks and plates, hold hands with you, go disco dance lam lam here and rubba there, bathe together and scrub your back, though the gals there not so reluctant to do bj, unless you can sweet talk some thai (GL ones are forced to learn) wake you up in the morning by doing bj, screw them feel tight tight one and real juices mak mak lah lan eh si beh song! heaven man!
3. my conclusion: GL is like a quick heroin fix for those desperate, while h city and bkk ones are like smoking grass both of them can get you high, but grass wont get hang-over, but both are strongly addictive. if one bro got time, go h city or bkk, one trip and when you cum back, k2n, guaranteed wont have any more interest in GL

HEADING THERE

BY AIR

Air ticket from any agency in sg, but prefer in golden mile complex, costs about \$175 - \$190 also depends on season. Once you step out of the arrival hall, just approach the counter that says 'limousine service'. A ride to town will cost only 100baht (ie, share a passenger van with others) or 200baht per taxi.

XSOSTAR: I need help in a few question.

1. Which are the few air-line that fly to H City?
2. What time and day is these flight?
3. What is the ticket price?
4. Which travel agency have the best price?

cunnosieur: hi there

1. only one airline...TG
2. depart 4.15pm to H city
3. \$200-\$220 (two ways)
4. pls DIY and ask the travel agents.

Q. Brother, Need some information from you guys that used to travel up north to H city by M113 from KL. Had been travelling from Singapore to KL by M113, but do not know where to report for the M113 in KL and what is the timing and cost at KL. Any kind soul to help me in providing this information? Thanks a million.

A. (due to increase in voodoo virus), Thai airways have added an additional flight for the following days; Mondays, Tuesdays, Thursdays and Saturdays. Timing are as follows:

Singapore to Hatyai

TG424 departs 1315hrs (sing time) eta

1345hrs(thai time) : TG408 departs 1640hrs eta 1710 hrs

Hatyai to Singapore

TG423 departs 0930hrs (thai time) eta 1205hrs (sing time)- dunno who want to take this flight.. sob sob... : TG407 departs 1310hrs eta 1540 hrs

BY BUS/COACH

from JB to KL : Rm 22.00 (super VIP bus) Get bus ticket in JB after jb immigrates there is 1 complex sell bus ticket, opposite railway station1.

from KL to hatyai: Buy bus ticket in Puduraya or opp puduraya ticket house. Bus leave @10pm/12pm @rm33++

From hatyai to sg (500 baht for super vip coach)

cunnosieur: aiyah bro, MAI PEN RAI....some suggestions to help you make the journey smooth:

1. straight coach to h city: just after the m'sian customs, just pop 2-4 sleeping tablets at one go....the next thing ya'll know...you are at the thai-msia border.
2. stop-in-between: sounds like sandwich...lol...but if you got time, stop-over at KL/penang, meet-up with fm bro tp then drive up together abt 6-#### hrs.
3. straight flight: same thing as pt 1...but need to

pop maybe 2 sleeping tablets...bros will wake you when C130 reaches h city.

To all the bros who want to cheong at Hat Yai, the cheapest way to cheong Hdy is to take bus at Golden Mile. It's the 26 seater coach for \$42 and for 3 nights stay in Hat Yai (I mean zeroing your weapon), you only need to have 400 Sing dollar in your pocket (Bus Fare, Good Meal, 4 Star Hotel and Pretty Girls for 3 nights).

COACH JOURNEY FROM S. LAND TO H. CITY

=====

after some help and 'survey' with bros here, decided grassland travel (tel:2927766, grd floor at GoldenMile) is the best with gd clean coaches at \$42.have to checked in with agency at 6-6.15 pm and pass over passport for them to help fill in immigration documts.was then told to report back at the back coach parking area at abt 6.45 pm, so went over to eat some light snacks and jalan jalan in GM. coach started the trip at abt 7.15pm...via tuas direction towards the 2nd causeway. once cleared immigration, 1st stop was in a place called kim guan depot at abt #### pm in johore. next stop was at a place called kerling in negri? state at abt 11.30 pm, before arriving at KL to drop some passengers. after that, next stop was at a place called kling (? state) at abt 3 am. knn, after that all the way north up till kedah/perlis border state and stop at a place

called wang something at abt 6am and makan breakfast and petrol top-up for the coach. next, is the malaysia/thai border at abt 8am... stopped for some 'shopping' at DFS shop(time 2 get cigi & brandy) and immigration clearing. after that, non-stop(1hour) to h city and stopped temp at h city bus-terminal for driver to check in and finally arrived in h city out-side lovely tour at abt ####.45-10am. total: 6pm to 10am, abt 16hrs, with several short stops lasting abt 30mins each for makan/drinks. conclusion: not for the faint hearted or those with weak stomache/physique. knn, one 'ah lau' kenna 'stoned' out during the trip and have to be helped abt by his friend (knn, wonder how is he gonna screw later in h city when he cant even walk properly...hehee). never tried the return leg as have to rush back to s land and air ticket was available for abt S\$150 one way. bros who tried can perhaps feedback. recommendation: dun know but i think bros can try taking sleeping pills once after the johore immigration and perhaps 'knock-out' all the way till the thai border. also, when it comes to eat-ing, try not to eat too full at the various stop-overs. single-seats in the middle of the coach are the best. hope this helps

BY DRIVING

Cobra: Appending to the Car Drive-In to H city from bros TP:

If the Car is registered under your Father name or Company name, never mind-lah. Even without original car registration also can. Just produce a photocopy of the car registration, and get signature on the back with the latest update on the ROAD TAX. If Company Car, photocopy and stamp a company stamp and whoever sign on the paper.

Then write an authourize letter saying give yr permission/authourize to drive to "Kingdom of Thailand"., signature or company stamp & signature. Then everything is OK ! Remember to make a few copy, sometime the police want a copy and the thai immigration also want a copy. Dun know 4 what !

Don't need to bring father along-lah, if he is "belanja". Then different story-lah. Play Safe, and Practise SAFE SEX ! Cobra

THAI PRINCE: Hi Tiger, Driving all the way in to Hat Yai

- 1) Make sure the car registration card is under your name.
- 2) Make sure your passport and your car registration card is using the same name.

Don't need to bring father along-lah

This means if your dad own the car, sorry la brudder, you cannot drive it in. The last Malaysian border post is the small little hut after the duty free shop. You need to show your car registration card to the police before he allow you in.

Just in case your car card is still with finance, make sure you xerox a copy of the card and show it to police. Alternatively 'tipu' your finance company saying that you need to renew road tax. After take it from the finance don't return it. Hehehe. With original sure 100% the police will let you through.

Once you reached the Thai border, you chop your passport and next to it there is a cubicle of a lady (I go hundred times also lady there) printing custom declaration form of your car.

If you first time enter make sure that no brudders are around (especially me) because she will need to type your particulars your chasis numbers, your address, road tax number etc. You will hold the queue! Comprende?

After typing she will print the custom form for you. Next time faster as she have a database of your particulars. Take the printout and move to the next cubicle. The custom officer will ask you to sign 2 places declaring that you are bring in your car NOT FOR SALE. You have nine days to get your car out from Thailand.

After you sign, he will also sign and chop here and there. He will take the carbon copy. Next to the costumes you have another small booth selling insurance. It is about 350 baht for nine days. I "mai karn" the insurance. So I am driving my car in Thailand without insurance. Make sure you are not caught killing somebody. I extra carefull! The reason for me not buying is I don't know any successful claims. Just make sure that you don't have any accidents.

First time you have to purchase as you need the stupid road tax stickers on your car. ONCE I stick on my winscreen, I don't bother to take it out. Once 'kau tim' you then drive for about 3 km and you will hit the custom declaration depot. Just hold up your form and drive through. Keep this form carefully as you need to return it back to the custom near the cublice next to the passport.

This means that you will stamp out your passport then pass your custom decdlartion back to them and you need to sign on their book. I notice one guy kena "fuck" by the custom officer L,R,F,B (left right front back) when he tries to enter Hat Yai the second time. They fine him 100 baht per day! After some bribing, they reduce it to 2000baht! (WF1 gal + tips =gone)

You know how those taxi drivers always saying that you will be deep shit once you have an accident in Hatyai! Attap

TIGER365: bro ATTAP, do not need to drive your car lah. just rent a car in H city.. Honda CIVIC. but do not know how much the rate??? anybody know???

Q: I am driving my car into Hat Yai. I am not sure about Rent-a-Car stuff but I guess you can still hire a car from the Airport. I am not too sure about the prices. If you don't know the place & direction why drive?

A: Depending to the Car Drive-In to H city from

time and will know. now better take bus and plane first.

REACHING THERE

BUY HOTEL VOUCHER!:

The Travel system in Hdy is funny, even when u dress in tuxedo, carry your Bond bag walk into every hotel lobby to check in, the price always HIGHER than u get from travel agent down below the few street. So i suggest u buy voucher "check-in" in any travel agent shop, tell them how much your budget, stars, days, locations, etc. Than, u can go straight to the hotel they suggest, fill in procedure & wahl!

1) Lovely tour (Grassland beside the chicken rice stall) Bro. Cunno pls verify the place. You can tell TuTu lovely tour, they know where is it or if in airport tell cab the same thing.

BY FLIGHT

once you step out of the arrival hall, just approach the counter that says 'limousine service'. A ride to town will cost only 100baht (ie, share a passenger van with others) or 200baht per taxi.

BY COACU/BUS/CAR

If this is your 1st time, go to any tour agency around the city center and get yourself a hotel voucher. It's much cheaper than walk in. Anyway, the bus will stop at their travel agent shop, u can get hotel voucher fr the shop. You can try this tour agent by the name of "Haadyai Hock Lai Travel & Tour". It's just outside the main road facing Central Sukhontha hotel. Ask for hotels like Regency (old or new wing), Grand Plaza, Lee Garden or Sakura. Myself preferred Regency for it's very near to Hollywood disco and it's very lively after midnight. Food is everywhere along the road when you're done dancing. Now even massage can have voucher purchase. I once bought a 2hour session at a tour agency when I went there to extend my stay and also to revalidate my flight. I was staying at Sakura hotel at that time. the massage parlour is at this hotel also. Hope this help U abit.. ;)

"I gave her the FULL load!"

personally, i like to stay in the regency hotel (4 star with swimming pool) cos i can get very cheap rates - around 500baht++ (about S\$25-27) as i know the manager in the hotel and it's also situated in the town centre. i will only intro to those genuine and good folks cos the manager is like a friend to me and we always go for a drink or dinner together after work.

Maddog: Hi Elkalf, usually all bros stay in either LGP n Regency new wing. If u r saving hotel \$\$\$ u can take regency old wing for ard 650++ or Hatyai palace cost about 500++ As for air ticket, u can go Golden mile(GM) to check.
Cheers PM72

HOTEL LOBANG

From: TIGER365 For all brother if u are tight budget like me, can stay at Hotel Meridien. Hotel M 5++ baht only, room clean and nice than GP or Reg old wing. But the hotel is not near the city,

MONEY CHANGER

Virtually everywhere got money\$ changer, depends on the rate they offer. The best RATE is travel agent and hotelier. Banking \$changer is the SAFE since they give u official receive + signature.

- 1) South Travel Hatyai Co. Ltd (between regency hotel n eat tinsum shop)
13 Prachathiphat Road
Rate quite good.

\$CHANGER

Well, brudders; Just a hint, where all brudders exchange each own currency to Thai Baht ? Where is these place ?
Just A SHARE : I use to exchange my currency at LGP Lobby ! As u off the lif at 10th flr (Hotel Lobby). There is a tour shop on right/left. Sure U won't miss it lah ! She give us pretty GOOD rate, remember last trip, below is rate she give :

1. S'pore Dollar --> Posted is SG 100 = 2,350 Baht
She give me SG 100 = 2,400 Baht
2. M'sia Ringgit --> Posted is RM 100 = 1,135 Baht
She give me RM 100 = 1,140 Baht

THE ACTION BEGIN!

WHERE TO START

FAT_SG123: I will be making my maiden trip to H City I have read the entire bible on H City posted by brudders here.

Despite having read the bible, I am still unclear about some things which I hope brudders here can shed some light.

1. Is it so difficult to go to KFC farm given that the tutu man will try his best to obtain a big commission from your expenditure? What is the best time to go down to KFC farm (I understand from the bible that it is open from 10am onwards) and by what time do brudders need to dismiss the POW?

ANSWER

cunnosieur: KFC are like supermkt with many gals. however, personally i find that they may not offer the best gals in terms of service as the gals, well, you know, once a place becomes popular and overly 'commercialised', the service level may drop. for your info, most gals at Hdy can speak hokkien...so you can imagine their 'old birdness'.

around. for info, 'bond 007 gal', one of our bro's fav gal is from a small joint behind the snake shop (forgot the name).

- 1e. NICE FLOWER - another supermkt with 20-30+ gals near thamnoonvithee/kor hong & WF area but forgot abt the exact name of the road. maybe bros tp & snb can enlighten here.
1. never follow any tuk tuk that wait outside hotels or 'joe' you wanna see gals...just walk to the street and wave down any other tuk tuk passing by and tell them where you wanna go. (BUT, but for 1st timer, its ALRIGHT to follow tuk2 drebar recomend place

tuk tuk will demand 80baht for a ride that's worth 10baht only...just throw 20baht in his face and tell him to fcuk off (i mean really tell them to fcuk off if you know some thai like me..i will) and then walk away to some nearest place where there's a crowd...then they wont dare to do anything and you'll be safe.

5. always keep your passport with the hotel front office or safe...dun bring them around. also, keep your wallet in your front pocket...beware of physical cumtact by ah quas or any 'sudden yen yue' (happening) embrace by a gal stranger.

She kept on heaving and moaning “Fuck me please”

✱ at least she speak english

contrary to most people (see my earlier tread), i personally choose gals who dun speak hokkien or english (old bird), and prefer those fresh ones who can speak thai only. also, when i get a gal, i'll try to look out for scab marks/scars on their shoulders or forearms as this will tell me that they do hard-drugs like heroin - avoid them. many a times, my best experience in terms of looks and sex service are actually with those fresh 'kampong' gals from the smaller f joints.

so if you have time, can go 'dang dang' (shop shop) around other areas. some other 'supermkts', 'karaokes' and areas (ie, with many gals) one can go are:

- 1a. SKY - try visit the last 2 joints (supermkts) at the end of soi 3, where they have around 40 over gals each. just tell tuk tuk to go to see kim yong soi 3 (sam). or otherwise, there are dozens of smaller f shops around the area each with 10+ gals. take you time to shop and ignore the pestering pleas from OKTs if you dun like the gals and just walk away.
- 1b. HATYAI NAI - at the stretch of road opp new hansa cafe. just tell tuk tuk to drop you at hansa cafe further up from talay thai restaurant and walk across the road. particular supermkt will be OLIVER i think, with 30-40 gals. rest are smaller joints with 10+ gals each.
- 1c. CHANNIVATE - near daichi hotel. just tell tuk tuk to go to daichi hotel and if i havent got it wrong, the big f shop will be ANGEL at a corner where around 30-40 gals and one can go in and sit down, order a drink and sing some songs as well while slowly select. area also got many small joints.
- 1d. THONGSAO - dozens of f shops but smaller ones with 10+ gals each. tell tuk tuk to drop you at vichai snake shop and then walk

eventough they'll mark-up pricess, anyway the price wont cost an arm & legs, correct? pay tuition fee mah!!

2. never follow any bellhops or man in the streets that ask you whether wanna see gals, 'ai char bor mai', etc...hell, most of the established ayam joints are stated in the bible, and normally, they do have gals lobang (normally not siu ones)...but they'll mark you up and take a fat cut commission.
3. if you take tuk tuk to ayam farm, some tuk tuks will stalk and follow you to joint and demand commission for bringing you there....so it's is OK for 1st timer, anyway since u have no idea what it looks like! (Treat it like pay tuition lor!) Next time, take a look behind you...are they following?...if so, take a slow walk, have a drink, go 2 nearby 7-11, until they cunt tahan waiting, then go off...or otherwise, if they insist in following you, tell the OKT that you went to the joint on your own, and not brought there by the tuk tuk...then they wont get a cut. If this is your 1st time in HDY nebermind, let the tuk2 take u to his fav kfc farm, go get the namecard for next time when u visit the farm alonelah!
4. no-need 2 argue with a tuk tuk or thai...some

6. beware of freelancers that you pickup in discos...these gals got no 'cheng who' (govt) and not governmt by OKTs in ayam farms....many are known to have pickpocket while you are asleep.

hope this will help...enjoy and dun forget to file FR...we deserve them as an exchange of info if you find our treads useful. sanuk

INFORMATION

cunnosieur:

1. always bargain...slash prices by half!!!...there's always diff prices for farang (foreigners)

and locals!

2. always ask how much 1st...got discount or not?...slash prices...then order goods...k2n, in h city, there's no such thing as fixed or 'standard' prices, unless if you are in a shopping centre with price tags....same applies, if say you are going to discos, KTVs, etc....after prices are agreed upon, then pay on the spot and order what you want...like that, you wont kenna coma when bill cums with sky rocket prices and you have already makan/drink the beers, etc (cunt blakang pu sing). if i missed anything, rest of bros pls add on... chor dee

there are plenty of places, prices range from 800baht to 1500baht (abt S\$40-70 for 24 hrs service and don't pay anything more!). also, though many would prefer those gals who can speak english or hokkien, i don't feel likewise as this only goes to show they they have been 'around' for sometime. normally, i would go for gals who speaks thai only as they are more 'fresh' and many who have just come from the countryside. (helps that i personally 'pu-thai-nit-noi' though). anyway, enough said for now. i'm posting this to see if the response is good and will follow-up on more and some

recommendations if the bros here are interested. sanuk!

try not 2 use the tour agent tutuk or any of the tuk tuk drivers, because they will get a cut, this is a 20-40% commision. confirmed. if u can, try 2 get a room at either of these hotels, then all u have 2 do is go down & walk less than 10 meters & u will find the pimps asking u 2 go in2 their 'ktv' 4 a look-see. if u r staying in another hotel, just tell the tuk tuk driver 2 bring u 2 either one of these hotels. the rate 4 tuk tuk fare is 20 bht(\$\$1) if u r alone in the tuk tuk, or 10bht if u r sharing it with others. do not pay more, the rate has not changed even after the economice crisis.

Do not let the tuk tuk driver follow u in, some will pretend 2 open the door of the whorehouse & claim a commission from the pimp later (pay tuition lor!). using 7-11 as the navigational point: good advice, esp about waiting 4 the tuk tuk driver 2 disappear first etc. u really must know the place very well. anyway, just 2 elaborate a little further on ur info: wonderful ktv is every tuk tuk driver's favorite recom. as the pimp use them a lot. since they r quite out of the way. actually, nowadays, u can c a lot of BKK girls even, as opposed 2 girls from Chiangmai & Chiangrai. when u go in, the girls will line up & sit on their high barstool chairs or sofas waiting 4 u 2 pick them. after picking one u like, ask 4 the price. some girls r more expensive of course, the younger ones, or the more pretty ones, can go up to 100%.

remember that if he charges u for eg. 2000bht for a regular girl, u r paying too much, remind the pimp that u came in alone, & that u should not b paying extra. they will usually relent. tell him ur hotel & rm no. & the time u want the girl 2 come 2 ur room, or if u prefer, u can get her 2 follow u immediately. remember 2 get the pimp's name & ktv business card, this is important enjoy urself, but use a cap always, man, always.

regarding the hostesses at the lounges or the restaurants. these r the singers. u can pay a fee of 500bht & ask her 2 accompany u 4 that day. (u r paying 4 her time) so she doesn't have 2 work that night singing. remember that this is NOT a booking price 2 sleep with her. some infact will not sleep with u, but just accompany u shopping or sightseeing. u can negotiate with her a price if u want & if she's willing , she will agree 2 but don't confuse these singers with the normal 'working' girls, all of them have 2 make a living singing at the lounges & may not want 2 b seen as one of those 'working girls'. so if she declines, accept that, & give her some tip so she can take a tuk tuk back or whatever.

most of them will ask u 2 bring them 2 discos. u can not use ur credit card 4 anything less than 2000bht, it's their method of making u buy at least a bttn of JWB 75cl. that is the price 2000 bht. but quite a happening crowd, u will c a lot of Singaporeans & Malaysians there, so u will feel quite at home.

SEXYBODY MASSAGE PARLOUR

PINK LADY
CHAOPRAYA
CHINTANA MASSAGE SERVICE
SPARK ENTERTAINMENT

PINK LADY the best known place 4 full body massage, (she uses her tits 2 massage u) is at Pink Lady Hotel. i have a favorite girl there, but don't know if she's still there. price is 1500 - 1700bht for 1.5 hours, quite an experience, try it at least once, otherwise u will regret it. u can pay with ur credit card. no problems, even Amex.

the most sexciting F which I had in my life!

PUSSYMAN72: Called gal no. 252. She got big watermelon, tall n silm. Go up room, she switch on TV and tune to X show. She touch my bro make me horny. I also play with her watermelon wow very big hehehehe. lick n suck her melon. Then use my finger to play her shellfish, wow she wet wet.

Then she strip n goto bathtub. Ask me to go into the tub she wash for me then clean my little bro. After washing ask me to lay on the mat and she use her 2 watermelon to rub my bird. wow i steam until don't know what to said. Almost bleed to death for the first day. hehehe

After the rub rub. We procced to the bed where she suck my nipple n lick my bro then start to BJ. I cont. to finger her shellfish until she so wet. Ask me to screw her. So after msn she play my bird n we talk for awhile b4 we go out >

STOLI

Feel ithcy, coz of the massage girl just now. so proceed to Pink Lady, chose number "T8". Body and face not bad, but nose look like buffolo. Give me BBBJ and guide my finger to make her wet. keke Ask me me to lick her "abalone", not my taste so reject it. yuck! Offer me second round, offer me screw without condom too, no way...I tell I just suffering from AIDS.. keke scare her. Ask me to Hollywood Disco. But I like everything depend on my mood, so tell her if I appear infront of seven eleven 12midnight, then i go.

WATCH TIGER SHOW

the tiger show is a waste of time & money. just a bunch of old fat women doing cuntal tricks. if u want 2 c stuff like that, u might as well go 2 Patpong or een Phuket, where the performers r younger, & some r even quite attractive.

but since u asked, the price is 500 - 800 bht per entry. u will find in the audience a lot of tourists including housewives & old women who giggle

throughout the whole show. one advice they always give. when they serve u the Coke. do not drink it, as that Coke may come from a bottle the performers have just opened with their pussies. seriously.

Traditional Massage is 100bht for an hour now. still xxxking cheap (\$\$5). in Singapore, those places charging \$30 for the same kind of massage is a rip off, but then again, some ppl will think it's worth it.

SPEED838: You can find the Tiger show ticket for sales in a sidewalk tour agency near LGP. Ticket for as low as 300 baht to 400 baht to see the show.

S-KILL

NO WAY bbbj, infact, most of the girls do not even provide BJs unless u r a regular, & they like u. u can ask the pimp 2 recommend one that does, & if they have one girl that does provide that service, they will automatically jack up the price 200 - 500bht more. not advisable 4 first timers or new visitors 2 approach the freelancers, u could get in2 a lot of shit if she turns out 2 b the gf of someone. also b careful not 2 confuse katoeys from real girls. that area (Grand Plaza, Hollywood Disco) is the place they usually hang out. u can chat with them, if u really want that kind of action. Hollywood is no longer the hottest happening place according 2 my regular Hatyai going friends. since Gigi closed down, the really happening place is Discovery, wish i had taken some card or something, now, i can't tell anyone here wtf it is! fuck!

another thing about Hollywood Disco, is that a lot of booking girls (whores from the houses) like 2 hang out there. so, if u approach any girls, don't assume they r free fucks, some r working girls who already have booking that day, but their customer may not follow them 2 the disco. or worse still, r there, but u don't c them. if they r w/o customers they may sleep with u free if they like u but some may ask 4 some tuk tuk money, or insist on u paying them their regular fee.

don't think there'll b any problems with this scan, since it is legal in that country, but i will remove it if anyone here thinks it's inappropriate. kewl? & yes, this is ah bao's personal card. c the name on the right of the card?

TIPS

To brudders try to learn Thai Language, got some
HINTS :

Know from Free-Lancers & H city Gals, they don't
like M'sian or S'porean to speak Thai, because of
the reasons below :

1. U are old birds oledi -- Main Reason.
2. U got Darling oledi -- Most of them are quite
Jealous.
3. U are not Long Term -- As u intend to change
gals like shirts.

4. Feel Free to fill in the
reason, brudders !

But below is the main

reason :

5. The Thai Langauage we speak is
rough, Yeah ! That right

Do understand that In Thai
Languages, there is a different
between so called "Market" Thai &
the "Polite" Thai. If u went to Major
Bank, Major Corporation, the
reception mostly speak a "Polite"
thai --> That is an educated Thai
Language.

Like my friend, who learn Thai from
his counterpart in H city. Really is a

cee ooww = very horny, I want to fuck U all night long!

liao).....n yap...si beh cheap.....if makan similar
sashimi set in SG, gonna cost SGD20++ -30++
(550-800b), but in h city, only half price....

guess not so many JI PON KIAs around in h
city...keekee...that's why we must keep hush
hush...no let they k2n spoil mkt like BKK.....

reminds me of my fav jap resta while working in
BKK.....it's located one level above MBK food-
court....my fav sashimi teishokou set in SG will
normally cost SGD 20-25++ (in not so good 'real'
jap resta somemore)...k2n, makan in BKK only abt
SGD 8+.....1/3-1/2 of SG price...everyday can
makan also.

but then hor, i find the the thai sushi chef at CSKT
tends to improvish a bit of thai style in his jap fish
dish....lots of veggies (cheap produce in TL) with
the sashimi.....n sometimes, the fishes n squid not
so fresh leh.....

as for cookhouse beside MANHUNTER, it is called
BLUE BAR (dunno why they call it BLUE...lol).....got
live band setup n light snacks available but noth-
ing much though it will be a good place for babe-
watch.

interesting, now they also have a korean ginseng

people waiting and ta pou.

another one is famous "kui teow" stall, a lot of bro
know. try the hokkien mee, delicious too.

2. Plaza Market, night time, although dirty a bit,
but good and cheap food. If got time, go to check
out the stall one by one.

3.opposite the Pacific Apartment, forget the name.
The food nicer than "Kan Ning" near Sakura Grand
View. Try the asam fish, very good.

Head straight to Tongsao for snake blood. Kill 3
big snakes. 2 cobra and a king cobra for 4000
baht. Drank snake soup for 150 baht. Reserve
snake penis soup for 300 baht as the snake lady
need to prepare the delicacy. Each bowl comes
with 7 cobra penis...hehehe with 11 chinese
traditional herbs. Bought some snake belts and
wallets. Walked around Tongsao and managed to
get 4 gals from different joint.

SAFETY

pls, for your own safety, do not trust those
guys on the streets or hotel bell-hops who
say that they can get you pretty gals and

very "Rough" Thai. A few time, I advise him try not
speak so much in Thai. But he is so proud, keep
talking & talking

Until some gals also can't TAHAN, come &
complain to me ! "Why your friends speak so
rough ?" Do advise all brudders, only use your
"hidden weapon" when it is necessary ! Better to
keep a low profile, ha ha ha !

HANDPHONE SMS

Cobra: bro cunno, u can try out this sites :

www.unimobile.com

can send sms to thai h/p, can save yr phone bills
too and future funding to "??" Hatyai Battalion.

PUSSYMAN72: depend on what mobile service
your girl using. if start with 019 or 018, I think
should be no problem to send.

HANDPHONE SMS

PUSSYMAN72: Bro Tige, what u mean 19 or 18??
Pls explain. I use this code to call my gal. Nut
when i was in H. City try to SMS here but she
cannot receive.

Do u know how? I normally call her from SGP is 001661nnnnnnn or 019661nnnnnnn.

Where 001 is our IDD call, i think 019 also the same. 66 Country code 01 don't know. n= mobile no.

Cheers Bro PM72

HANDPHONE SMS

JAEGER12345: Well guess not all phone in Thai, and you can sms as some network do not support that but in general shouldnt be a problem If you are holding a singapore handphone wat you do is compose the message after finish sent and key in following :
For example her handphone number is 01898xxxx

So key in +661898xxxx and that should sent the message

INTERNET CAFE

Every prime location have they own Internet Cafe, not a problem at all.

Try going to those that charge around 40b per hr...not those 1 min 1b type....more cheap that way.

TIPS

cunnosieur: btw, i find that some of the prices you guys paid are abit on the high side though:

1. 5k gal:...well, like what i said, 1.5-2k stunners aplenty...but nevertheless, as long as happy cheonging, it's still \$ well spent.
2. 800b haircut: does this includes 'special'???.....cun ask LTA JOKER abt his haircut experience opp BP hotelk2n, for 250b (cunt remember exact fig), cun have studio style haircut, wash, blow, styled, plus facial wash.....cheetuk, last time i had one with regency barber....haircut, wash, blow, styled, facial wash, steaming and facial mask, eyeball wash and massage plus dig earholes for only 500b+ only....

and trust me, if any of you guys wanna really have a good haircut, go look for one that is an ah qua barber, not those gals type....cheetuk, i mean those ah quas really cut hair damn professional and attentive...short of using a ruler to measure and cut...lol.

3. hotels: well, since you mentioned 'this wont be your last trip'....you may wanna cunsider cheaper hotels from 400-800b...k2n, more cheaper than getting a chalet in SG....this will definitely help on your expenses if you wanna meet your gal more often....like what i have advised LTA PUSSY.

last but not least...to newbies...pls dun 'spoil' mkt there by overtipping the gals...as a rule of thumb, just think of tipping for similar services you cun get in SG...then half it and half it again (eg: KTV gal SGD50, then half=SGD25=500b, then half again=250b). sanuk

COMA

NOKWAA: To all brudder,in my experience in h city,try not to look 4 freelance coz is damn dangerous...ever come across some of the guys were infact being con by those thai gals and some r worst,,they slept in the hotel for three fucking coma days without being notice..those gals r also very smart,they r usually on the look out for single..so be very careful, for once I got into the hair saloon near grand plaza...for manicure and hair wash,the gal that do it for me was very chio..so the rest is history..manage to give her 500 bht, and she is from laos..so care to share some other exp here too..thanks fr nokwaa (wawa)

HIGH-END CHIC

DELIFRANCE: In cheonging or just having plain fun in revelling, I have noticed that there are certain levels of relationships that apply to the following ladies:

- a) go-go bar ladies
 - b) traditional massage ladies
 - c) BM ladies
 - d) KTV ladies - high class KTV
 - e) KTV ladies - budget class KTV
-
- a) tends to be the most hardened of the lot in terms of:
- enjoy it and make \$ while the good times last, strings are easily cut.
 - d) high investments, often the ladies will go with you only if they like you a lot. The relationship is much deeper and the strings are not easily cut at all.

I am not sure about the other categories and would very much appreciate if battle veteran bros can say something on them and on what I have commented as well. The base line wisdom which I have learnt of the Bkk Escapade are:

- 1) there are more ladies than men in LOS
- 2) there are more stunners than what the cheongsters require
- 3) if you are popular with the ladies, they will cut, undercut, slime, perform under-cover operations to put down the incumbent or most successful lady who is currently the apple of your eye. In other words, coups of relationships amongst the ladies are the daily order of the day when u meet and interact with such ladies.

I am slowly retiring from cheonging

CUNTFORTABLE: Hi Bro, You can:

1. Sanuk (main course)
2. Massage
3. Explore outskirts of H City

4. Play pool
5. Pickup school gals at shopping centres
6. Organise your list of nice gals at the respective 'targets'
7. Get to know last night's gal better by spending time with her in the afternoon
8. Join the local gym and make friends
9. Bring last night's gal back to the appt again ... and raba raba!
10. LAST BUT NOT LEAST ... FILE IN YOUR FIELD REPORTS!

times of what a similar job is paying in SG. for me, i normally tip 300-500 baht max (worth abt 3 x 100baht meals or abt half day booking pay) if POW service very tok kong....but of cos, if wanna sian for long term PROJECT, then diff rates lah.

7. i cun calculate for you how much you'll spend/budget for trip becos bros here have diff standards for budgets, cups of poison (POW) n cheonging, etc....ask yourself how you wanna cheong???.....but do your calculations wisely....then can sanuk n no burst your piggybank.

thai 'model', i cun personally bring you to shops that does all these glamour shots...so you can be 'LARKAI KING OF THE MONTH' in thai mens magazine cover...lol....besides, 4k exhorbitant quoted are BKK prices for top grade gals....no point paying so high in h city.

type d: barfines are involved usually on top of the booking fees (1.5k-2k)...abt 100-150 baht per hr before her stipulated knock-off time....plus drinks lah, etc....can cum to quite a bill....of cos lah, if patient n wait, can also negotiate with her for her after work 'extras'....

TH gals are like those kampung durian stuff ...sometimes got worms, sometimes taste damn good

BUDGETING

ROUTINE CIRCULAR - MONEY SAVING TIPS

LTA (NS) (CUNNOSIEUR):

1. cheapest way=take coach to n back.
SG-HDY=sgd 40+, HDY-
SG=530+baht....total abt sgd 80...but can you tahan 15hrs x 2 way journey?

2. not worth to take coach, then one way air ticket back to SG=abt 3500 baht,=sgd 140+...plus coach sgd40, total abt sgd 180.....so better to pay abt sgd40 more to get two way air ticket.

3. another thing is to save on hotel....especially if you are not that type of cheongster who stay in room n bonk whole day....k2n, besides, too many things to do unlike indon southern islands....they have hotels rooms from abt 400 baht to best suite at 1800-1900 baht....for me, my criteria is...must have a bath-tub.

4. eat at local kopi-tiam, but dont really encourage makan at those roadside stalls (for those with strong stomach only)....it's much cheaper than makan in posh hotel restuarant.

5. bargain for everything...if you dun speak thai, get your POW to do it for you. as a guide, mark-ups are like 2 times more for foreigner....say eg: one shirt at 300baht, slash it by half to 150 baht, but bargain discount from 100 baht....dun agree, say "PHIANG MAK MAK" ...n walk away....they'll call you back....same thing in disco when ordering drinks, etc.

6. this is the most important...k2n, dun overtip your POW....MAI CHEONG PAI HANG CHENG hor....as a guide, a waitress earns only abt 3,500-5,000 baht a mth, admin clerk abt 5,000-8,000 baht, accounts executive abt 10,000-15,000 baht, a teacher earns abt 20,000-25,000 baht a mth, mechanical engineer abt 25,000 to 35,000 baht, IT engineer abt 30,000 to 45,000 baht.....their standard of living is low...abt 1/3

ROUTINE CIRCULAR - COST SAVINGS TIPS - PART 2

1. POW.....basic types n prices are:

- a. ayam farm type: 1200/1300, 1500, 2000 baht
- b. bodymassage type: 1300, 1600, 1900 baht
- c. 'model' type: 4000-5000 baht
- d. singers/hostesses: 2000-4000 baht
- e. freelancers in discos: 1300-2000baht
- f. part-timers/ONS: 1300-???

type a: for me, i go for type a...cos economical n marginal utility...treat them like a GF n they'll follow you whole day to makan, see show, scrub back, wash undwear, bonk lah, etc....also, if goods no good, cun always complain back to OKT.

type b: basically=1-2 shots in a 2hr soapy massage session. the thing is that if you like the gal, negotiate with her to cum to your hotel after work abt 11-12pm...they're not 'bonded' with the joint or OKT like GL gals....abt 1200-2000 baht should be more than enough...dun get chopped.

type c: though claimed by OKT to be 'models' n even show themselves in magazine covers, my opinion is that these cover shots are subjective-ly fake....why?...becos if you also wanna be a

type e: as warned newbies, FL old bird liao n sometimes drug n steal your stuff....n you cun refer back to OKT.....1.3-2k baht max...dun over pay n pay them only after next day morning....remember also, always to ask/bargain n cunfirm price 1st with her before any action....you dun want to bonk already next day then she 'sue' you for 5k or will shout rape, create trouble, etc.

type f: this is again, safety caution to be thrown like FL....cos these gals can be anything from high sch/uni students, salesgal, officegal, drug addicts lah, etc....who need extra cash

suddenly or some are actually LARKAI QUEENS looking for a good time with handsome LARKAI KING for a ONS....this one...you have to ZHI GAY GU ZHI GAY....lol.

2. anyway, actually no such thing as expensive or cheapo or what cos i'm sure diff bros have diff taste n budget...one man's CB is not another man's CB'....lol....also, whether you kena SOCK by the gal or not n like her services....most importantly is to CHEONG JAI DEE DEE n SANUK YUT YUT...as long as happy n \$\$well spent....

3. hope this helps newbies in cost budgetting your cheonging n avoid kena potong kapala.....k2n, n MAI CHEONG PAI HANG CHENG hor!!!!
sanuk

Maddog (PUSSYMAN72): Hi Keith
Q: a gal asked me to call her when in H city..what is your advise.

A: Depend on u lor. If u think u like her company n want to book her again then call her once in awhile. Doesn't mean she like u that is y ask u to call. Whatever she said just hear hear only. kekeke cos no want u to kanna landmine. hahaha

Ah ya if kanna landmine the most lose ur heart n \$\$\$ only. hahhaaa like me lor. kanna bullets everywhere injure very badly for almost 3 yrs.

kekeke then take another 4 yrs to recover. haha-
ha now another landmine hummm should i call
landmine or i already capture the gal i want???

TIGER365: my first gf in Thailand call me from
Bangkok. tell me no \$\$ pay her rent. ask me
bank \$\$ to her. finally I ask her to eat shit. hope
u understand!.... have to depend your purpose to
the girl.

KRUBPOM: sawadee krub, bro awolking, 3F....as
in Find them Fuck them and Forget them.....the
first two not diffult to do...but last F hard to do
leh.....hahahahhahaaa..too sanuk manzzz..

In any case thanks for the reminder..indeed it is
a wise advise..to apply the 3F...to stay free from
injury for another invasion.

AWOL KING: Hi Bro KP, just practise the 3F and
U will B save.hihihihihi.....

Maddog: wrong bro the 3 F is Fun, Firing(be
more cheevilise mah) n Forget. kekeke

Maddog: hi Goodluck how is everything?
>Its normal for them to past you their Hp no if
you treat them ok, it a busness for them the
more regular customer they have the more\$\$
they will make some more they already know
you and know that you treat them alright.

A: Yes, one thing for sure \$\$\$\$ and also one
thing is that if a guy treat the girl good, the girl
also want him to come again due to another
reason. Is that, she can choose not to sleep with
those fucker who are dirty, always want to fuck
n treat them like shit. She will feel comfortable
with a guy who treat her right.

Maddog: Hi High, if u want me to said as a
cheongster heart, i will tell her nicely that by
taking that kind of pill cannot solve anything.
ask her not to spoil her life. else she will regard
it next time.

Q: customers will only booked them if they take
pills otherwise they will be left out, as such
there are cases these chicks really have no
choice

A: Customer will not know who will take pill.
anyway the customer doesn't give a damn.
when they pop they do not care girl who is good
or bad. they just force them to eat or drug them
n screw them without cap. this are fuckers who
is low life.

1 thing she can do is die die don't eat or take
drug. not happy F O lor.

LTA (NS) (CUNNOSIEUR)hi there bro!!

"You mention you gave abt 1000 baht to her....is
it a bit too little...but surprising...she still stick
to you. This can show that she love you more as
a person..not a money tree..."

A: for info, your 1k baht (SGD 40+) is the equiva-
lent of at least 3 days (breakfast, lunch, after-
noon tea, dinner, plus supper \$\$), or the rough
equivalent of one day booking money.....IT IS

NOT LITTLE BY THEIR STANDARDS.... so it's
hard to say whether she likes you or your
\$\$\$....but then again, if you feel it's \$\$\$ happily
spent, then OK lah.

see my earlier tread on how much thais are
earning and their living standards.....did you
ever notice how cum their shopping centres got
so many salesgals, their restaurants got so
many waitress n helpers, etc????.....MAI
CHEONG PAI HANG CHENG hor.....next time, go
TL, pls grab a copy of BKK Post, etc, newspa-
pers n see their classified job section.

MARRIAGE (R U SURE?)

PM72: Hi TP, Is true that if you marry your wife
in thailand. She will lose all her rights. I even
have check with one Farang who married a thai
wife. He said is true. I also have a talk to one
local who is doing business in MaeSai. The guy
also said the same thing.

He said there is a way to do it even u n ur wife
is registered in LOS. Pay under table money n ask
them to back date the land she bought b4 she
got married. But the man said not worth it cos it
too X. So suggest bring her back n married.

HuaNgoo: Sir, glad to hear from you, and wait-
ing on rest of your diary.. Though the law has
recently amended allowing Thai gals who marry
foreigners to own land, etc.. it is still not fully
inforce as there is bound to be many loopholes
and disputes within the different legislation
depts, which is typical Thai-style(the gov depts
don't usually go hand in hand w/each others)

Most couple do not register for marriage and
see no point in doing so unless with intention to
retire in LOS and apply for the PR there. I know
alot, including myself, and majority do not regis-
ter our marriage in LOS.

!! CUNTIONS !!

RINPOCHE: While helping out at a Thai friend's
travel agency, I used to write letters for Thai
girls to their foreign boyfriends. I charged 150
baht a letter. The girls would tell me (in Thai) to
tell their boyfriends about their sick mother,
arrested brother, dead buffalo etc. They always
ask me to write "I don't want your money" but
the bank account number inevitably follows.

And business was good! It could only mean that
the girls managed to get money. Most of these
guys are well educated. I've seen a name card
of a Singaporean manager of an MNC here. It's
amazing that they either didn't see through the
ploy. Some of these girls have 4 different guys
helping her pay for their cars. The interesting
thing to note is that of all the girls I've helped,
only two-thirds of them are bar girls. A good
one-third are "decent" girls like university stu-
dents and office workers. Thai girls not materi-
alistic? Bullshit.

From: GOODLUCK888

...during last invasion, one POW was captured
by LTA GOODLUCKn she's abt to marry off to
a SG guy soon. How true, (Another case to think
with your big head and practise the 3F)
This POW English really dame solid,It not good,
its Fucken Good, one of the best somemore with
Singlish Slang. Never did tell me where she
leart her English, I did asked, but she did not
want to tell and just said enjoy this trip and I

did not want to prob more into it, but suspected that she has a Sing darling or Ex or has worked in Sing or whatever(not the first time I came across this situation)But her English was just like a Sing gal.You could not tell the diff if you were to speak to her on the phone, It was that solid.

I found out from Maj Krubpom later that she has a Sing BF and is going to Sing to get married soon and I guess has been staying there for a period. She must have been bored or needed some cash or her , brother, sister, Cow has died or getting married or sick or wanted to enter Monkhood or something as the usual story would go and has been told and used by the POW, over and over again to justefly her action. But what do I care ,she was the tool for my interragation for that nite.

So this is another reason for Bros who is thinking of getting serious with a POW, must always open eyes and ears

- A: no....but do pay the room cleaner 20-40b for the mess you'll be creating
- 5) Are the girls staying overnite, me not looking for 2 hrs one ???
- A: 2 hrs also have, 24hrs also have....24hrs=mainly 1.2 to 2k types...

"to stay at CSKT hotel. Good hotel and bring gal to room...wouldnt so pai seh...heehee"

A: CSKT...sure or not....you havent encounter those SG n M'SIAN tour group uncles n aunts....k2n, crowd around lobby n look at you n POW....lol.....anyway, for info, CSKT is one of the more expensive hotels....but worst of all, popular with s'poreans.... wait see some-one you know...lol.

LTA CUNNOSIEUR: "Bro u guys know which is the best valued hotel in Hatyai?"

A: what is your budget???.....big room to play catching, cums with just a shower point or with big swimming pool (bathtub) attached???

Q1. how much do we need for a 3d2n trip?

A: well, depends... if take coach: SGD 40 (one way, SG to h city)...back abt 550baht (one way, h city bac to SG). if take plane:

wahlan sebei paisehlah when SG n M'SIAN tour group uncles n aunties c u with a glue-sticky sexy hot thai chic!

Big BIG and do alot of invastertation before hand. And like me always practish the 3F and leave it behind in Hdy until when the time comes again for a mission up to the battle field(1 week B4). Ofcause the first few week or so back would be hard and you would surly play back the situation in your mind, and got no mood to work and stuff, but that's normal with all enjoyable trips. This is call the Voodoo syndrom. I am in the lite for now, and can see the mist of voodoo behind me. I have survival this Voodoo and has won this battle with my mind but its always just around the cornel(aflight and a ride away), I must be on my guard at all times. As there is still the long distance Voodoo. Cheers GL888

Why,What,Where? Q & A

- 1) What is OKT?
- A: pimp, mamasan, papasan, turtle head, pusher, ninja turtle....whatever

- 6) Where are the good cheong areas??
- A: so many leh.....what specific?
- 7) Any free "fish" available?

- A: cash, nets, visa, atms....true ya know....they've gone hi-tech also.
- 10) What are the good area to visit??
- A: too vague...good or cheong places?....soft-core, hardcore or non-core???

lol...i'm sure rest of our btn bros will be most willing to help answer!!!

ps: pls go to sam's start-up pg <http://www.sam-myboy.com> and see bible 1 n 2....they should be good enuff for newbies.

LTA (NS) (CUNNOSIEUR):hi all

"and realise that its better to get freelancer then going to KTV (Personal View). Reason, KTV gals must return to office by certain time, and freelancer can stay with you if she like you."

A: careful, freelancers have known to drug out the guy n steal \$\$\$....n most of them 'old bird' liao to cum out on their own....in my humble opinion, it's safer for newbies (especially those who cunt speak thai) to call POWs from ayam farms....get the OKT namecard...in case anything happen.

SGD210 (two ways) plus reserve 500baht for airport tax. gals: overnite, from 10am to 10am next day, abt 1200-2000baht max. hotel: cheap ones from 400baht+ to 1600baht+ which one you want? And credit cards are accepted widely. Mostly myself will carry S\$700 plus 2 dozen of rubber.

Q2. what are the hrs like for overnite booking?

A: as in Q1....from 10am to 10am, 24hrs solid solid booking. Unlimited bonking.

Q3. will the 2 bibles be a gd guide???

A: klong man, these 2 are the results of our bros' sweat, blood, seow, etc....what do you think???...yap, of cos more than enough for newbies.

Q4. what are the precautionary measures to take note???

A: well, this is what i can think of, some pointers....hope rest of bros can add-on if any bad experience.... (use rubber & dunt use drug unless its vigra!)

I intend to travel to haadyai in 2 weeks time. Can brudders here advise the following:

Q1. Where to book 2 way transport by grassland coach? I know it is at Golden Mile but which agency?

A1. There is 1 n only Grassland in GM. The green galloping horse will tell.

Q2. Can I book hotel from S'pore tour agency or through internet?

A2. Any which way U like.

Q3. Where to go for good seafood?

A3. Aplenty but my personal choice, the one near to Grand Plaza n along the road. Can't forget the freshest big head prawns, steamed or barbecued. Wat more, U can order bird nest soup n even shark fin soup over fr the next adjacent shop even the shop of my choice is also selling the sama sama shark fin n bird nest soup. Wat a friendly co-existence.

Q. TP, Where is this CP4???? Is it a turkish bath too?

A. CP4 (Chao Phraya 4) is near Sugar Beat or opposite Sparks. Remeber those Gigi, Discovery, Dino, Phuture and Erotic Top Lady stretch? It is around there. Yes it offers 'arp orb nuat'.

Q1. Heard that H City is very small with only a few lanes. Don't seem to be true as the map appears much more complicated than that. So is H City really very small?

A1: Not small but tourist area 4-6 lane onli. Mornig can walkathon round hdy for bfast. or late afternoon can round-round for restaurant or side hawkers, shopping 4 souvenir, wont lost and weather not so hot. Try 2 remember shop/sign/7-11/ supermarket for direction. Even lost just flag down tuktuk for hotel, bet your hotel just behind the street that u run up&down try lookin for.

Q2. Do hotels have a restrictive guest policy? Does your companion needs to get herself registered at the reception or do you have to pay extra to invite her to your room?

A2: Got meh? Hotelier understand1, even bell boy welcum yr companion also, no ned extra\$ just extra condom. But onli hassle is tat SG n M'SIAN tour group uncles n aunties, wahlen sebei paiseh lah when they c u with a glue-sticky sexy hot thai chic!

Tips from: Scorpion King
if really want good massage.

1. I think "The Only One Massage" still the best. Girl old bit, room not nice as Sakura or Hatyai Central, but skill is very good. Ask the guy massage for you, after that u know, what is call massage.

2. another place is Meridian Hotel "toilet boy". After your toilet time, give him 10 or 20 baht and enjoy a few mini nice massage. Every adjustment and move from him also until your heart, accurate and efficient.

Tips from THAI PRINCE

If POWs are pretty, they can choose just as we can choose them. If they are passed their age or not that outstanding (no chinese client will choose them) then they don't have any choice but to take other races. One more thing, they are also human beings, they like being with somebody they like, to be pampered and hopefully can fish one Malaysian or Singaporean Chinese guy to be their \$\$\$ supporter or maybe a husband.

So how do I solve this problems?

1) No overnight booking. Visit Turkish bath

(Pink Lady or CP4). There you dictate the gals you want.

- 2) Try your luck at SC Heritage Hotel room 511. Pretty Bangkok gals but Baht 5000 per night
- 3) Try your luck at Karaoke and see if you can hook one or not. However it is still expensive depending on the time you want to take them out. Kabuki at Asian does offer pretty gals
- 4) Visit Danok (BKH border town), Golok or Pattaya. They are not that selective.
- 5) Seach and search and search around SKY, Tong Sao or Janives until you find one. Sometimes "Fluke" could happen.

The Baht is going at about \$S1 to B\$25. The budget that you would need depends on what you are going to do, how long you intend to stay in and what you want to buy in H City. The basic is S\$210 for air ticket to and fro trip. Hotel rental in say BP is about B\$800 to B\$1,000 per night. Hotel, airport tax and transport will cost you about S\$360.

I want to savour good quality and inexpensive food and this would probably cost me another S\$120. Another thing, I don't go for erotic massage but traditional massage. That will cost me another \$100 with tips. Total spending excluding shopping will be \$580 per head for an estimated

you dun want to bonk already next day then she 'sue' you for 5k

- 6) If worst come to worst and you still need a pretty gal, you could also opt for a 'pirated goods' (Ladyboy,katoey) that hangs around junctions at Central Sukhonta, Damn jude and pretty. Jeeeee kidding. No offence meant.

Tips: I personally choose gals who dun speak hokkien or english (old bird), and prefer those freshones who can speak thai only. also, when i get a gal, i'll try to look out for scab marks/scars on their shoulders or forearms as this will tell me that they do hard-drugs like heroin - avoid them. many a times, my best experience interms of looks and sex service are actually with those fresh 'kampong' gals from the smaller f joints.

Maddog: no need lar. sometimes the girls also not sure. if don't know go other place n eat lor.

Tell tutu also later eat ur money also. now a days tutu driver also fuck up. must be careful.

They any how charge. first thing first ask them how much from here to there. it only 10B not more then that if ard the hatyai itself. motor is 20B. After midnite x2.

PARADISE101: The place is called Changlun. It is a very much cheaper place than Hatyai. You get there by following the Msia North-South Highway to the end and it is called Bukit Kayu Hitam. All the Malaysians here come for gambling, two notorious illegal casinos. If you don't habe access to a couple of Ak-47's avoid this place. There is a topless Pub. Action starts from 15.00 hours thru midnight. This is a relatively safe place. It is reputed to be owned by a senior police inspector from Malaysia. But this place is inside Thai territory so I say (Relatively). The hotel and chicken farms are all sleazy joints. Just like Haadyai 25 years ago and like our Geylang 30 years ago. This is a good hide-out for a lot of wanted people from Malaysia and Singapore. So, if you are not looking for a close friend in this category, you are better of to head further North. Good Luck !

4 days 3 nights stay. Conservatively, you should be prepared to spend about \$850 in all, assuming you are not into women. I got no idea of how much does it cost to buy a woman's time or where you can find soliciting woman. From the reports by brudders here, it seem like when you are out in the street, there will be pimps all over the place offering women to you. I may be wrong, you can check with brudders on this. Personally, I have been to H City years ago, nobody actually approach me on women. So the experience of one may be very different from another.

On accurate financial cost computation, you may want to check with FM Thai Prince or LTA (NS) Cunno. They are very helpful and prompt with their comments and feedback.

If you like shopping, you can try Plaza Market. There is a good variety of items to purchase.

for newbies:

1. many questions have been asked cuntless times liao, n if you are lazy to read the treads (understand that it's tough though), then pls kindly refer to holy bibles 1 n 2 at: <http://www.sammyboy.com> (k2n, if STILL cunnot find, must KLONG KLONG head liao)...lol.

Technic from CUNTFORTABLE

Hi Bro, Just read an interesting article contributed by brudder BMAN521 in another discussion thread about the 40 mistakes men make when having sex. Here goes:

1) NOT KISSING FIRST.

Avoiding her lips and diving straight for the erogenous zones makes her feel like you're paying by the hour and trying to get your money's worth by cutting out nonessentials. A proper passionate kiss is the ultimate form of foreplay.

2) BLOWING TOO HARD IN HER EAR.

Admit it, some kid at school told you girls love this. Well, there's a difference between being erotic and blowing as if you're trying to extinguish the candles on your 50th birthday cake. That hurts.

3) NOT SHAVING.

You often forget you have a porcupine strapped to your chin which you rake repeatedly across your partner's face and thighs. When she turns her head from side to side, it's not passion, it's avoidance.

4) SQUEEZING HER BREAST.

Most men act like a housewife testing a melon for ripeness when they get their hand on a pair. Stroke, caress, and smooth them.

5) BITING HER NIPPLES.

Why do men fasten onto a woman's nipples, then clamp down like they're trying to deflate her body via her breasts? Nipples are highly sensitive. They can't stand up to chewing. Lick and suck them gently. Flicking your tongue across them is good. Pretending they're a dogie toy isn't.

6) TWIDDLING HER NIPPLES.

Stop doing that thing where you twiddle the nipples between finger and thumb like you're trying to find a radio station in a hilly area. Focus on the whole breasts, not just the exclamation points.

7) IGNORING THE OTHER PARTS OF HER BODY. A woman is not a highway with just three turnoffs: Breastville East and West, and the Midtown Tunnel. There are vast areas of her body which you've ignored far too often as you go bombing straight into downtown Vagina. So start paying them some attention.

8) GETTING THE HAND TRAPPED.

Poor manual dexterity in the underskirt region can result in tangled fingers and underpants. If you're going to be that aggressive, just ask her to take the damn things off.

9) LEAVING HER A LITTLE PRESENT.

Condom disposal is the man's responsibility. You wore it, you store it.

10) ATTACKING THE CLITORIS.

Direct pressure is very unpleasant, so gently rotate your fingers along side of the clitoris.

11) STOPPING FOR A BREAK.

Women, unlike men, don't pick up where they left off. If you

stop, they plummet back to square one very fast. If you can tell she's not there, keep going at all costs, numb jaw or not.

12) UNDESSING HER AWKWARDLY.

Women hate looking stupid, but stupid she will look when naked at the waist with a sweater stuck over her head. Unwrap her like an elegant present, not a kid's toy.

13) GIVING HER A WEDGIE DURING FOREPLAY.

Stroking her gently through her panties can be very sexy. Pulling the material up between her thighs and yanking it back and forth is not.

14) BEING OBSESSED WITH THE VAGINA.

Although most men can find the clitoris without maps, they still believe that the vagina is where it's all at. No sooner is your hand down there than you're trying to stuff stolen banknotes up a chimney. This is okay in principle, but if you're not careful, it can hurt so don't get carried away. It's best to pay more attention to her clitoris and the exterior of her vagina at first, then gently slip a finger inside her and see if she likes it.

15) MASSAGING TOO ROUGHLY.

You're attempting to give her a sensual, relaxing massage to get her in the mood. Hands and fingertips are okay; elbows and knees are not.

16) UNDESSING PREMATURELY.

Don't force the issue by stripping before she's at least made some move toward getting your stuff off, even if it's just undoing a couple of buttons.

17) TAKING YOUR PANTS OFF FIRST.

A man in socks and underpants is at his worst. Lose the socks first.

18) GOING TOO FAST.

When you get to the penis-in-vagina situation, the worst thing you can do is pump away like an industrial power tool she'll soon feel like an assembly-line worker made obsolete by your technology. Build up slowly, with clean, straight, regular thrusts.

19) GOING TOO HARD.

If you bash your great triangular hip bones into her thigh or stomach, the pain is equal to two weeks of horseback riding concentrated into a few seconds.

20) COMING TOO SOON.

Every man's fear. With reason. If you shoot before you see the whites of her eyes, make sure you have a backup plan to ensure her pleasure too.

21) NOT COMING SOON ENOUGH.

It may appear to you that humping for an hour without climaxing is the mark of a sex god, but to her it's more likely the mark of a numb vagina. At least buy some intriguing wall hangings, so she has something to hold her interest while you're playing Marathon Man.

22) ASKING IF SHE HAS COME.

You really ought to be able to tell. Most women make noise. But if you really don't know, don't ask

23) PERFORMING ORAL SEX TOO GENTLY.

Don't act like a giant cat at a saucer of milk. Get your whole mouth down there, and concentrate on gently rotating or flicking your tongue on her clitoris.

24) NUDGING HER HEAD DOWN.

Men persist in doing this until she's eyeball-to-penis, hoping that it will lead very swiftly to mouth-to-penis. All women hate this. It's about three steps from being dragged to a cave by their hair. If you want her to use her mouth, use yours; try talking seductively to her.

25) NOT WARNING HER BEFORE YOU CLIMAX.

Sperm tastes like sea water mixed with egg white. Not everybody likes it. When she's performing oral sex, warn her before you come so she can do what's necessary.

26) MOVING AROUND DURING FELLATIO.

Don't thrust. She'll do all the moving during fellatio. You just

lie there. And don't grab her head.

27) TAKING ETIQUETTE ADVICE FROM PORN MOVIES.

In X-rated movies, women seem to love it when men ejaculate over them. In real life, it just means more laundry to do.

28) MAKING HER RIDE ON TOP FOR AGES.

Asking her to be on top is fine. Lying there grunting while she does all the hard work is not. Caress her gently, so that she doesn't feel quite so much like the captain of a schooner. And let her have a rest.

29) ATTEMPTING ANAL SEX AND PRETENDING IT WAS AN ACCIDENT.

This is how men earn a reputation for not being able to follow directions. If you want to put it there, ask her first. And don't think that being drunk is an excuse.

30) TAKING PICTURES.

When a man says, "Can I take a photo of you?" she'll hear the words "___to show my buddies." At least let her have custody of them.

31) NOT BEING IMAGINATIVE ENOUGH.

Imagination is anything from drawing patterns on her back to pouring honey on her and licking it off. Fruit, vegetables, ice and feathers are all handy props; hot candle wax and permanent dye are a no no.

32) SLAPPING YOUR STOMACH AGAINST HERS. There is no less erotic noise. It's as sexy as a belching contest.

33) ARRANGING HER IN STUPID POSES.

If she wants to do advanced yoga in bed, fine, but unless she's a Romanian gymnast, don't get too ambitious. Ask yourself if you want a sexual partner with snapped hamstrings.

34) LOOKING FOR HER PROSTATE.

Read this carefully: Anal stimulation feels good for men because they have a prostate. Women don't.

35) GIVING LOVE BITES.

It is highly erotic to exert some gentle suction on the sides of the neck, if you do it carefully. No woman wants to have to wear turtle necks and jaunty scarves for weeks on end.

36) BARKING INSTRUCTIONS.

Don't shout encouragement like a coach with a megaphone. It's not a big turn-on.

37) TALKING DIRTY.

It makes you sound like a lonely magazine editor calling a 1-#### line. If she likes nasty talk, she'll let you know

38) NOT CARING WHETHER SHE COMES.

You have to finish the job. Keep on trying until you get it right, and she might even do the same for you.

39) SQUASHING HER.

Men generally weigh more than women, so if you lie on her a bit too heavily, she will turn blue.

40) THANKING HER.

Never thank a woman for having sex with you. Your bedroom is not a soup kitchen.

Any comments on these 40 DON'TS??? For me, I always thank my gal for giving me such a good time! In the meantime, happy sanuking!
